

TECHNICAL DATA SHEET

Lunatack® HL 2400

Type of Adhesive Hot melt adhesive.

Product Benefits – general purpose

superior adhesion

bonds a variety of difficult to bond surfaces

Typical Applications This product has been designed especially for Ream Wraping

and sealing of Laminated cartons application in Packaging

Industry.

Suitable substrates Heavily coated Corrugated and Cartons, many non-porous

surfaces and similar materials of difficult to bond surfaces.

Typical Properties

Property	Value
Colour	pale yellow
Viscosity (Brookfield RV Type, cps)	1300 - 2200 (27 spindle/20rpm/160°C)
Softening point, °C (Ring & Ball)	103 – 111
Shelf life	12 months

Last Updated: 11/11/2015

TECHNICAL DATA SHEET

Application Instructions

Open time: medium

Apply with nozzle.

Recommended application temperature: 160 – 180°C.

It is important to ensure that the desired level of adhesion is obtained on necessary substrates including long term tests.

Cleaning Instructions

We recommend using a solid hot melt cleaning agent for

applicators and adhesive tanks, and a liquid wipe-on or cold

soak cleaning solution for machine parts.

Please contact your local Sales Office for available cleaning

solutions.

Typical Packaging Please contact your local Sales Office for available packaging

options.

Storage Conditions In original sealed packaging at ambient temperature. Store

away from direct sunlight.

Disposal Advice Please refer to the MSDS for disposal instructions.

Safety Advice To minimize the risk of burns, the use of eye protection and

protective clothing is recommended when working near a hot melt applicator. To minimize the risk of flammable vapours, do not exceed a melt temperature of 220°C. Prevent the build –up of vapours. Extinguish all sources of ignition during hot melt

use.

Please refer to the MSDS for safety advice.

Our Focus is Clear. Perfecting Adhesives.

IMPORTANT: The information, specifications, procedures and recommendations herein (together "information") are based on our experience and we believe these to be accurate. No representation, guarantee or warranty is made as to the accuracy or completeness of the information or that the information will avoid losses or damages or give desired results. It is purchaser's sole responsibility to test and determine the suitability of any product for the intended use. Tests should be repeated if materials or conditions change in any way. No employee, distributor or agent has any right to change these facts and offer a guarantee of performance.

NOTE TO USER: by ordering/receiving product you accept the H.B. Fuller General Terms and Conditions of Sale applicable in the region. Please request a copy if you have not received these. These Terms and Conditions contain disclaimers of implied warranties (including but not limited to disclaiming warranties of fitness for a particular purpose) and limits of liability. All other terms are rejected. In any event, the total aggregate liability of H.B. Fuller for any claim or series of related claims however arising, in contract, tort (including negligence), breach of statutory duty, misrepresentation, strict liability or otherwise, is limited to replacement of affected products or refund of the purchase price for affected products. H.B. Fuller shall not be liable for loss of profit, loss of margin, loss of contract, loss of business, loss of goodwill or any indirect or consequential losses arising out of or in connection with product supply.
