

Swift[®] tak 5625

New product -Temporary Information

Type of Adhesive Water based adhesive that has been developed for the corrugated market, side-seam application when good water resistance of the final bond is required.

- Product Benefits**
- good wet tack
 - medium open time
 - very good machinability
 - good water resistance

Typical Applications Side seam application and similar.

Suitable substrates Corrugating board with kraftliner, testliner or carton.

Typical Properties

Property	Value
Colour	white
Film	elastic
pH	approx. 4.5
Solids content	approx. 48%
Density	1.05 g/cm ³
Viscosity (Brookfield RVT-Type: Sp3, at 20°C)	approx. 2 400 mPa.s
Shelf life	6 months

H.B. Fuller

TECHNICAL DATA SHEET

Application Instructions	Suitable for use through standard application systems such as semi contact nozzle, contactless nozzle, slot nozzle, wheel and disk systems.
Cleaning Instructions	Whenever possible adhesive residues should be washed off with cold water before it dries. Removal of dried adhesive may prove more difficult and will require warm soap water or with mechanically scratch.
Typical Packaging	Please contact your local Sales Office for available packaging options.
Storage Conditions	Clean and dry conditions above +15°C and below +25°C.
Disposal Advice	Please refer to the MSDS for disposal instructions.
Safety Advice	Please refer to the MSDS for safety advice.

Our Focus is Clear. Perfecting Adhesives.

IMPORTANT: The information, specifications, procedures and recommendations herein (together "information") are based on our experience and we believe these to be accurate. No representation, guarantee or warranty is made as to the accuracy or completeness of the information or that the information will avoid losses or damages or give desired results. It is purchaser's sole responsibility to test and determine the suitability of any product for the intended use. Tests should be repeated if materials or conditions change in any way. No employee, distributor or agent has any right to change these facts and offer a guarantee of performance.

NOTE TO USER: by ordering/receiving product you accept the H.B. Fuller General Terms and Conditions of Sale applicable in the region. Please request a copy if you have not received these. These Terms and Conditions contain disclaimers of implied warranties (including but not limited to disclaiming warranties of fitness for a particular purpose) and limits of liability. All other terms are rejected. In any event, the total aggregate liability of H.B. Fuller for any claim or series of related claims however arising, in contract, tort (including negligence), breach of statutory duty, misrepresentation, strict liability or otherwise, is limited to replacement of affected products or refund of the purchase price for affected products. H.B. Fuller shall not be liable for loss of profit, loss of margin, loss of contract, loss of business, loss of goodwill or any indirect or consequential losses arising out of or in connection with product supply.

Nothing in any term shall operate to exclude or limit H.B. Fuller's liability for fraud, gross negligence or for death or personal injury caused by negligence or for breach of any mandatory implied terms.
